3. Ye investment kya hai — aur kya nahi

3.1 Paisa **khatre mein** hai. Agar Company munafa na kamaye to us muddat ka Investor ko kuch nahi milta. Agar Company nakaam ho jaye to jo kharch ho chuka wo ja sakta hai (clause 11).

3.2 Ye **qarz nahi**. Na sood, na wapsi ki koi fixed tareekh, na koi guaranteed return.

3.3 **Koi zaati zimmedari nahi**. Na Muhammad Yaseen aur na Company ka koi aur member, officer ya mulazim Investor ke samne zaati tor par zimmedar hai. Investor ka haq sirf Company par hai.

3.4 Investor ko **malkiyat nahi milti**, na voting, na management mein jagah. Investor ke haqooq sirf paise ke hain: Recovery Payouts, Permanent Share, aur clause 12 ka bikri ka hissa.

4. Commitment aur Capital Requests

4.1 Company Portal mein Capital Request uthayegi — raqam, maqsad, category. Kul qistein Commitment se zyada nahi honghi jab tak dono fareeq likhit mein Commitment na badlein (Company ka Portal mein edit, jo Investor ko nazar aaye, likhit shumar hoga).

4.2 Investor **7 din** mein jawab dega — paisa de kar, ya inkaar kar ke. Kisi request par inkaar **khilaf-warzi nahi** — Funded Amount bas wahin rehta hai.

4.3 Baqi Commitment se zyada paisa tab tak qubool nahi jab tak Portal mein Commitment barhai na jaye.

4.4 Sign ke waqt **PKR 1,00,000** funded aur confirmed hai.

5. Adayegi, tasdeeq aur saboot

5.1 Portal Company ki payment details dikhata hai. Investor sirf unhi par paisa bhejega.

5.2 Bhejne ke baad Investor Portal mein "paid" mark karega — raqam, tareekh, tareeqa, reference aur saboot (bank slip ya screenshot, Portal ki private storage mein upload).

5.3 Company Portal mein wasooli confirm karegi. **Qist sirf dono tasdeeqon ke baad ginti hai**. Jo declared payment Company ko na mile, Portal mein likhit wajah ke sath reject hogi; Investor behtar saboot ke sath dobara declare kar sakta hai.

5.4 Confirmed entry kabhi edit nahi hoti. Ghalti ka izala ek nazar aane wali reversal entry se hota hai, wajah ke sath, aur koi bhi entry sirf ek dafa reverse ho sakti hai.

6. Fund ka istemal

6.1 Fund sirf Company ke kaarobar par lagega: office, staff, equipment, tools aur subscriptions, professional fees, marketing aur aise operating kharche.

6.2 Har kharcha adayegei ke **48 ghante** ke andar Portal mein darj hoga — kis qist se, kis category ka, aur receipt (jahan ho).

6.3 Kharch shuda paisa wapis nahi hota, siwaye clause 11 ke wind-down ke.

7. Munafa — formula

7.1 Kisi mahine ka **Munafa** = us mahine asal mein **wasool** hui aamdani (sirf invoice bhejna nahi ginta) **manfi**:

the month's operating expenses actually paid — staff salaries, office rent and utilities, software/tools and phone lines, marketing, professional fees, bank charges — as recorded in the Portal.

7.2 Malik ki tankhwah: No salary is paid to Muhammad Yaseen, Asim Latif or any other founder as an expense. The founders are paid only from the Company's remaining share of Profit after the Investor's Payouts.

7.3 Tax: Company taxes and filing fees are an expense before Profit is calculated.

7.4 Company har mahine ka Statement agle mahine ki **10 tareekh** tak Portal mein publish karegi — aamdani, kharche, Munafa aur Investor ka Payout.

7.5 **Har mahina alag hai.** Jis mahine Munafa nahi, us mahine kuch nahi milta aur wo agle mahine mein nahi jata. Koi raqam udhaar ke tor par jama nahi hoti.

8. Recovery Period mein Investor ka hissa

8.1 Har us Statement par jis mein Munafa musbat ho, Investor ko milega: **Munafay ka 15%** Recovery Target ki taraf, **aur Munafay ka 5%** Permanent Share ke tor par. Recovery ka hissa kabhi baqi raqam se zyada nahi hoga.

8.2 Payout Statement ke **7 din** ke andar ada hoga aur Portal mein saboot ke sath darj hoga. Investor Portal mein wasooli confirm karega.

8.3 Payout sirf Munafay se aata hai. **Jis mahine Munafa nahi, Company par kuch wajib nahi.** Koi Payout kabhi Fund se, Company ke doosre paise se, ya kisi ki zaati jeb se wajib nahi hota.

8.4 Company pehle ya zyada ada kar sakti hai; majboor kabhi nahi.

9. Recovery Target poora hone ke baad

9.1 Recovery ka hissa ruk jata hai. **5%** ka Permanent Share jab tak Company Munafa kamaye, unhi mahana Statements par jari rehta hai.

9.2 Permanent Share paise ka haq hai, malkiyat nahi. Ye sirf clause 11, 12 ya 13 ke tahat khatam hota hai.

10. Agar Commitment poora hone se pehle paisa ruk jaye

10.1 Investor kabhi bhi ruk sakta hai. Company Portal mein Commitment ko Funded Amount par band kar degi, likhit wajah ke sath jo Investor ko nazar aaye. Khuli Capital Requests cancel hongi.

10.2 Recovery Target = Funded Amount.

10.3 Permanent Share ban jayega: $5\% \times (\text{Funded Amount} \div \text{Commitment})$ — jitna diya utna hissa. Misal: PKR 20,00,000 mein se PKR 8,00,000 par 2%.

10.4 Rukna khilaf-warzi nahi, koi jurmana nahi. Baad mein dono ki razamandi se Commitment dobara khul sakti hai — Portal mein record ke sath.

10.5 Mazeed tay-shuda alfaz: The Investor may stop at any request. Recovery continues on what was actually paid in; the permanent share is pro-rated to the amount paid.

11. Nuqsan, band hona aur wind-down

11.1 Agar Company chal na sake, Company Portal mein likhit wajah ke sath wind-down record karegi.

11.2 Is tarteeb se: (a) Fund mein jo cash bacha ho Investor ko wapis; (b) Fund se khareeda saman bech kar raqam wapis; (c) jo kharch ho chuka wo nuqsan ke tor par darj — wapis nahi.

11.3 Jo Payouts mil chuke wo Investor ke hain, wapis nahi liye jayenge. Recovery aur Permanent Share dono khatam.

11.4 Aakhri Statement publish hoga; dono fareeq wapsi Portal mein confirm karenge. Clause 3.3 (koi zaati zimmedari nahi) poori tarah lagu hai.

12. Company ki bikri

12.1 Agar Company ya us ka taqreeban poora kaarobar bik jaye, to Investor ko Company ke maalikaan ko milne wali **net raqam ka 5%** milega — Company ko raqam milne ke 30 din ke andar — chahe Recovery Target poora hua ho ya nahi. Ye sirf adayegi ka haq hai; malkiyat ya vote nahi deta.

12.2 Us adayegi ke baad ye agreement khatam.

13. Buyout

13.1 No buyout right is agreed now. If either side ever wants one, it is negotiated and added as a new signed version (clause 21.2).

13.2 Investor bechne par kabhi majboor nahi.

14. Maloomat aur Portal

14.1 Investor ko Portal tak musalsal rasai hai: har qist, har kharcha receipt ke sath, Fund ka balance, har Statement, har Payout, ye agreement aur dastakhat, aur kaarobar ki majmui taraqqi (sirf ginti).

14.2 Investor Portal mein kisi bhi entry par sawal utha sakta hai. Company **5 din** mein Portal mein jawab degi.

14.3 Investor kabhi bhi ledger export kar sakta hai aur saal mein **1** dafa apne kharche par accountant se jaanch karwa sakta hai.

14.4 Portal ka record hi record hai. Messages, calls aur yaad-dasht is par ghalib nahi.

15. Jo Investor nahi karega

15.1 Management, hiring, rates, carriers, brokers ya kharche ke faislon mein koi kirdar nahi. Koi veto nahi.

15.2 Company ki taraf se carriers, brokers, shippers ya staff se koi rabta nahi.

15.3 Raazdaari: Company ke numbers, customers, rates aur tareeqe — agreement ke dauran aur baad — private rahenge.

15.4 Investor Company ki likhit ijazat ke bagair ye agreement kisi ko muntaqil ya girwi nahi kar sakta.

16. Doosre investors

16.1 Company doosron se paisa le sakti hai. Naya investor shamil karne se pehle Portal mein Investor ko batayegi. Doosra investor aane se is agreement ke Investor ke percentages nahi badalte.

17. Currency aur tax

17.1 Saari raqmein **PKR** mein hain. Portal mein koi aur currency sirf sahoolat ke liye dikhti hai.

17.2 Har fareeq apna tax khud bhare ga. Agar qanoon Company ko Payout se tax rokne par majboor kare, wo rokegi aur Portal mein darj karegi.

18. Wafat, ma'zoori, muntaqili

18.1 Investor ki wafat ya ma'zoori par us ke waris ya numainda sirf paise ke haqooq (Payouts, wapsi, bikri ka hissa) mein us ki jagah lenge — haq ka saboot dene par. Management ka koi haq paida nahi hota.

18.2 Company haq saaf hone tak Payouts rok sakti hai, phir ruki hui raqam ada karegi.

19. Qaboo se bahar takheer

19.1 Bank ki bandish, qanoon, aafat jaise waqiat se hone wali takheer khilaf-warzi nahi. Waqia khatam hote hi zimmedariyan bahal.

20. Ikhtilaf

20.1 Pehle dono baat karenge — Portal mein likhit notice ke 30 din ke andar.

20.2 Phir ek aisa shakhs jise dono maanein: A mediator agreed by both parties in Islamabad before any court step.

20.3 Phir adalat. Lagu qanoon aur adalat: Pakistan.

20.4 Ikhtilaf ke dauran bhi Portal chalta rahega.

21. Aam shartein

21.1 Ye agreement is investment ke bare mein pichli tamam baaton aur messages ki jagah leta hai.

21.2 Tabdeeli likhit aur dono ke dastakhat se hogi — Portal mein publish aur sign shuda naya version aisi hi likhit hai.

21.3 Koi clause na chale to baqi qaim rehta hai.

21.4 Notice Portal mein aur record shuda email par di jayegi.

21.5 English matn asal hai; Portal ka tarjuma sahooolat ke liye hai.

22. Electronic dastakhat

22.1 Dono fareeq Portal mein electronic dastakhat par raazi hain. Dastakhat mein type kiya naam, ikhtiyari khincha hua signature, waqt, device, aur bilkul isi matn ka cryptographic hash record hota hai. Dastakhat sirf usi version par jaiz hai jis par kiya gaya.

22.2 Har fareeq sign shuda document kabhi bhi download kar sakta hai.

23. Jo tabdeeliyan Investor Portal se shuru kar sakta hai

23.1 Investor Portal mein tajweez kar sakta hai: Commitment barhana ya ghatana (Funded Amount se neeche kabhi nahi), Funded Amount par funding rokna, ya rukne ke baad dobara shuru karna.

23.2 Tajweez kisi ko paband nahi karti jab tak Company Portal mein qabool na kare. Company **7 din** mein jawab deti hai, inkaar ho to likhi wajah ke sath. Faisle se pehle Investor tajweez wapis le sakta hai.

23.3 Qabool hone par tabdeeli Portal ke aadad par foran lagu hoti hai, ye document **purana** nishan-zad ho jata hai, aur Company nayi version publish karti hai. Dono fareeq nayi version par sign karte hain. Tab tak aakhri poori sign shuda version + Portal record mein qabool shuda tabdeeli lagu hai.

23.4 Commitment ko Funded Amount tak ghatana shaq 10 ke rukne jaisa hai; shaq 10.3 ka pro-rata usool lagu hoga.

24. Entries dekhna aur tasdeeq karna

24.1 Har Capital Request, Tranche, kharcha, Statement aur Payout record hote hi Portal mein nazar aata hai, saade alfaz mein ke kya khareeda aur kyun.

24.2 Investor kharche ko **dekh liya** nishan laga sakta hai, ya us par **sawal** utha sakta hai (shaq 14.2). Khamoshi na razamandi hai na aitraaz: Portal record qaim rehta hai aur baad mein bhi sawal ho sakta hai.

24.3 Portal Investor ko batata hai ke pichli baar ke baad naya kya hai.

25. Jo sawal investor aksar poochte hain — jawab is agreement ka hissa hain

Kya main apna paisa jaldi wapis le sakta hoon? Nahi. Kharch shuda paisa wapis nahi hota. Fund mein bacha hua cash sirf wind-down (shaq 11) ya bahami razamandi se wapis hota hai.

Kya main Commitment se zyada de sakta hoon? Sirf jab Commitment Portal mein barha di jaye (shaq 23). Us se upar paisa qabool nahi.

Kya kuch de kar ruk sakta hoon? Haan, kabhi bhi, Portal se, bina jurmana (shaq 10 aur 23).

Kya mera paisa alag bank account mein rakha jata hai? No. Investor funds are received into the Bank Alfalah account shown in the Portal (account title AL HUDA GENERAL STORE AND GARMENTS), which Muhammad Yaseen operates; it is not an account used only for investor money. To keep the investor's money traceable, every amount received and every expense paid from it is recorded in the Portal with its bank slip or receipt, and the Portal shows the balance still held for the Company. The Company's revenue is received into LoadBoot LLC's own business account (currently Veem). Either account may change for a solid reason with prior notice in the Portal.

Kya main bank statements dekh sakta hoon? Investor Portal mein har entry aur raseed dekhta hai, aur saal mein ek baar accountant se ledger check karwa sakta hai (shaq 14.3). Investor-funds account: the statement lines for the Investor's deposits and every payment made from them, on request within 5 days. Revenue account: the monthly Statement in the Portal is built from it, and its statement is shown on request within 5 days. An accountant may review both once a year.

LoadBoot ka software, brand aur customers kis ke hain? Company ke. Ye agreement Investor ko sirf paise ke huqooq deta hai (shaq 3.4).

Agar Company baad mein bara investor ya venture paisa le? Investor ko pehle Portal mein bataya jayega (shaq 16). Is agreement ke fisad nahi badalte. Sale par shaq 12 lagu hai.

Agar malik faut ho jaye, chhor de ya kaam na kar sake? Company apne baqi members ke sath chalti hai. Muhammad Yaseen runs LoadBoot day to day. If he steps away for more than 30 days, the Investor is told within 7 days and may stop further funding.

Company ke peeche aur kaun hai? Asim Latif, co-founder — not currently on the LLC record. Any change in ownership is disclosed to the Investor within 7 days.

Kya main apne huqooq kisi aur ko bech ya de sakta hoon? Company ki likhi ijazat ke bagair nahi (shaq 15.4). Wafat par shaq 18.

Kya kam se kam munafa ya guaranteed wapsi hai? Nahi (shaq 3.2). Bina munafay ka mahina kuch nahi deta.

Munafa kaise check hota hai? Statement se; har kharcha tag shuda, raseed ke sath, aur Portal mein sawal ke qabil (shaq 7, 14).

Mujhe kis currency mein milega? PKR (shaq 17).

Kya main office aa sakta hoon ya team se mil sakta hoon? By appointment, any working day, with 24 hours' notice.

Agar Company ye agreement tore to? Shaq 20 (baat → neutral shakhs → adalat). Portal record saboot hai.
